Subject: Notice of Intent to Terminate State Operating Permit No. SOP-12006
Bauer Foundation Corporation - Center Hill Main Dam Construction Site
DeKalb County

Dear Mr. Faulhaber:

This letter is to inform you the Division of Water Resources (the division) intends to terminate the above referenced permit. According to the letter dated November 12, 2015, that we received of you on or before November 20, 2015, the last pump and haul activity at this temporary construction site, located at the intersection of Highways 96 and 141, was conducted on August 31st, 2015, and the sewage system has been decommissioned.

A 30-day public comment period must precede termination and you will be notified at the close of the comment period of the division's action. The notice affords the public an opportunity to review the draft permit and, if necessary, request a public hearing on this issuance process.

If you have questions, please contact the Cookeville Environmental Field Office at 1-888-891-TDEC; or, at this office, please contact Mr. Wade Murphy at (615) 532-0666 or by E-mail at Wade.Murphy@tn.gov.

Sincerely,

Vojin Janjić
Manager, Water-Based Systems
